#### **The Roman Catholic Diocese of Charlotte definition of "Participating Parishioner"**

Catholic schools in the Diocese of Charlotte may charge a higher rate of tuition for non-participating Catholics and non-Catholics than they do for participating Catholics. Eligibility for the "participating" Catholic rate is determined by the student's pastor/pastoral administrator. In determining eligibility, the student and/or the student's family must:

1. Be baptized as a Catholic,
2. Be registered in the parish, and
3. Attend Mass regularly.

Additionally, consideration may also be given to the family's commitment of time and talent to the parish. Personal involvement in the parish is a responsibility and expectation of every parishioner who is able to do so, especially those parishioners who are parents of children attending Catholic schools.
